What's New?

INDIAN OCEAN FUTURES

The Indian Ocean basin is rapidly becoming a powerhouse of economic, social, cultural, and political development bringing profound change to the countries around it. Indian Ocean Futures 2014 brings together academics, government, industry, and communities to identify these changes and discuss the challenges for the future of the region and its peoples. The conference will be held from March 25 to 28, 2014 in Fremantle, Western Australia. For more details please visit: <http://www.iofc2014.com/>.

4TH INTERNATIONAL CONFERENCE ON AGRICULTURE AND ANIMAL SCIENCE

The 4th International Conference on Agriculture and Animal Science (CAAS) conference series provides a forum for laying the foundations of a new principled approach to Agriculture and Animal Science. The meeting will include participants from diverse disciplines in order to foster cross-pollination between different research fields and to expose and discuss innovative theories, frameworks, methodologies, tools, and applications. The CAAS will be held in Phuket, Thailand, from November 23 to 24 of this year. For more information about the CAAS, please visit: <http://www.cbees.org/caas/>.

INTERNATIONAL CONFERENCE ON SUSTAINABLE ENVIRONMENT AND AGRICULTURE

From November 17 to 18, 2013, the International Conference on Sustainable Environment and Agriculture (ICSEA) will be held in Abu Dhabi, UAE. The ICSEA will

provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in sustainable environment and agriculture. For additional details, visit the ICSEA website: <http://www.icsea.org/>.

INTERNATIONAL CONFERENCE ON ALFRED RUSSEL WALLACE

The second International Conference on Alfred Russel Wallace—his predecessors and successors, naturalists, explorers, and field scientists in Southeast Asia and Australasia—will bring together historians, natural scientists, ecologists, zoologists, botanists, anthropologists, park managers, and other scholars of the natural sciences to share their experiences on ecology, evolution, and resource management of these regions. The Conference will be held from November 7 to 8, 2013 in Kuching, Malaysia.

CONFERENCE ON SUSTAINABLE BUSINESS AND SUSTAINABLE DEVELOPMENT IN ASIA

From November 4 to 6, 2013, the 2nd Conference on Sustainable Business and Sustainable Development in Asia (COSA) will be held in Bangkok, Thailand. The COSA will include presentation on a range of research from conceptual, empirical, experimental, and case studies on sustainable business and sustainable development. For more information, please visit: <http://www.presdafoundation.org/sustainable-business-conference/proposals>.
